NOTICE OF PROPOSED RULE MAKING

Adopted: March 25, 2002

Released: April 1, 2002

Comment Date: May 23, 2002

Reply Comment Date: June 7, 2002

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Community Television, Inc. ("Community"), an applicant for the noncommercial television channel *41, Georgetown, South Carolina. Community requests the substitution of DTV channel *38 for channel *41 at Georgetown.

2. Community states that its petition is being filed pursuant to the provisions outlined in the Commission's Public Notice ("*Public Notice*") released on November 22, 1999, DA 99-2605. In that *Public Notice* the Commission announced a window filing opportunity to allow persons with certain pending requests for new analog (NTSC) television stations to modify their requests to eliminate technical conflicts with digital television (DTV) stations and to move from channels 60 through 69. Community asserts that channel *41 operating in Georgetown would cause significant interference to station WIS-DT, channel 41, Columbia, South Carolina. Accordingly, it notes that its pending application is subject to dismissal pursuant the Commission's *Public Notice* because of irreparable predicted interference to WIS-DT. Community states that adoption of its channel substitution proposal will restore a noncommercial allotment to Georgetown .

3. We believe Community's proposal warrants consideration since the channel substitution would permit Community to provide Georgetown, South Carolina, with its first local noncommercial DTV service.. A staff engineering analysis indicates that DTV Channel *38 can be allotted to Georgetown consistent with the criteria set forth in the Commission's *Public Notice* for requests for a DTV channel replacement for a NTSC channel allotment at coordinates (33-25-58 N. and 79-16-16 W.). We propose to substitute DTV Channel *38 for channel *41 for Community with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
SC Georgetown	*38	500	144

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u> <u>Present</u>	<u>Proposed</u>
Georgetown, South Carolina	--	*38

5. Accordingly, we seek comments on the proposed amendment of the TV Table of Allotments, Section 73.606(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u> <u>Present</u>	<u>Proposed</u>
Georgetown, South Carolina	*41-	--

6. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

7. Interested parties may file comments on or before May 23, 2002, and reply comments on or before June 7, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Gene A. Bechtel
Bechtel & Cole, Chartered
1901 L Street, NW
Suite 250

(Counsel for Community Television, Inc.)

8. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section

73.606(b). See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

9. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
